Introduction

Norfolk & Suffolk Music Hub is a partnership of organisations which come together to provide the best possible music education for the children and young people of Norfolk and Suffolk. Music Hubs are funded by the Department for Education, administered by Arts Council England, to create more opportunities for children and young people to get involved in music making. Music Hubs are groups of organisations working together to create joined-up music education provision, respond to local need and fulfil the key objectives as set out in the new National Plan for Music Education: [The power of music to change lives - A National Plan for Music Education \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/100000/national-plan-for-music-education.pdf)

The plan sets out a vision for music education and how this can be achieved through partnership working in localities delivering against three core aims:

1. To support schools and other education settings to deliver high quality music education
2. To support young people to further develop their musical interests and talent, including into employment
3. To support all children and young people to engage with a range of musical opportunities in and out of school

Norfolk County Council is the **Lead Organisation** for the Norfolk & Suffolk Music Hub and works in partnership with key local, regional and national music organisations to maintain and develop a cohesive strategic overview of localities ensuring high quality provision in relation to identified need. As lead Organisation, Norfolk County Council is responsible for reporting to Arts Council England.

Whilst ensuring that Norfolk & Suffolk Music Hub is delivering against the Department for Education’s vision, we are also mindful of the five overarching strategic aims of the plan and continue to plot activity with these in mind to underpin a high-quality, extensive infrastructure in localities:

1. **Partnership**
2. **Schools**
3. **Progression**
4. **Inclusion**
5. **Sustainability**
